

Bill number: 240671

Introduced by: Bass

Cosponsor(s): Landau, Lozada, Ahmad

Assigned committee: Parks, Recreation and Cultural Affairs

Date introduced: 09/05/2024

Fiscal Note

Overview

This bill would address contingency planning suggestions to the Event permit application. It is anticipated that there would be no fiscal impact resulting from the enactment of this legislation.

Legislative Summary

This bill would add security, medical emergencies, parking, and traffic control planning suggestions to Philadelphia Parks and Recreation's event permit application.

Applicants may state in the application whether they have prepared plans for safety, medical emergencies, and parking. The applicant may include the details of the plans with the application. Safety plans would not be mandatory, but applicants are encouraged to consider creating them. Permits would be issued regardless of whether a safety plan is submitted.

Proposed Effective Date

This legislation will be effective 90 days after enactment.

Fiscal Impact Analysis

Philadelphia Parks and Recreation anticipates that there would be no fiscal impact resulting from the enactment of this legislation.

Legislative History

Not applicable
