**Bill number:** 240666

**Introduced by:** Driscoll for Council President Johnson

**Cosponsor(s):** Not applicable

**Assigned committee:** Licenses and Inspections

**Date introduced:** 09/05/2024

---

## **Fiscal Note**

### **Overview**

This bill would add requirements to obtain an electrical contractor's license for applicants seeking to perform work on electrical vehicle chargers.

The anticipated cost to the City would be a one-time expense ranging up to \$17,000, which would be absorbed as an expenditure in The Department of Licenses and Inspections existing budget.

### **Legislative Summary**

To obtain an Electrical Contractor's License, an applicant would provide proof of completion of the Electric Vehicle Infrastructure Training Program or an equivalent program approved by the Department if they intend to work with electric vehicle chargers.

Electrical contractors are prohibited from installing EV chargers without the required certification.

### **Proposed Effective Date**

This legislation will be effective 30 days after enactment.

### **Fiscal Impact Analysis**

The estimated cost of implementing this legislation is summarized below with a total projected amount of up to \$17,000.

<b>Fiscal Impact Summary</b>	<b>FY25</b>	<b>FY26</b>	<b>FY27</b>	<b>FY28</b>	<b>FY29</b>	<b>Total</b>
<b>Expenditure Increase/(Decrease)</b> Class 200: Professional Services	Up to \$17,000	-	-	-	-	<b>Up to \$17,000</b>
<b>Net Cost/(Savings)</b>	<b>Up to \$17,000</b>	-	-	-	-	<b>Up to \$17,000</b>

The Department of Licenses and Inspections has indicated that a one-time expense up to \$17,000 is required to upgrade the eCLIPSE system to comply with this bill. The system upgrade will necessitate 50-75 hours of developer work at an hourly rate of \$225.

The Department of Licenses and Inspections anticipates a 6-month lapse to fully comply with the bill. The costs surrounding upgrading the eCLIPSE system would be absorbed as an expenditure in the Department's existing budget.
